Hi, My name is Susan

Susan Vanderplas

October 18, 2020

Introduction

- Birthday: August 21
- I grew up in Houston, TX (for the most part)
- I graduated with a PhD in Statistics from Iowa State, but started grad school in Bioinformatics (before deciding I didn't want to help plants make me sick)
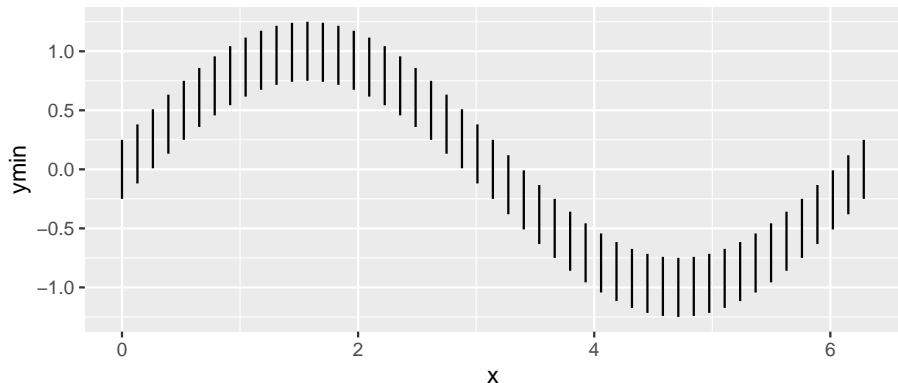

Favorite Animal

I love basically any puppies.

Favorite Plot

Ok, this isn't my favorite plot, but it is at least one that is fun and easy to generate...

CV Link

My CV can be found here:
